Dear Grandma ~

Happy Valentine's Day! Wanted to let you know I love you very much and I'm so thankful you're my grandma! Hope you're doing well —

I'm getting ready for the preschoolers to come on Monday for the next two weeks during the day. (Did you read about it in our news-letter?) I'm having a lot of fun getting things ready, and getting all the crafts and things together. I think it'll be alot of fun! Mother thinks I'm a little crazy for taking on 4 little ones! :) I'll let you know in 2 weeks whether Mark and I have gone bonkers!

It's been really nice weather here lately — I guess this is our "summer". Alot of grandmas sitting by the pool here getting tan. Do you want to come join them? :) By the way, are Ray and Bonnie in AZ? It'd be fun to see them if you're ever in touch to let them know!

Love you, Grandma! Love, Jennifer
